HARRIS ST MILLS PYRMONT

493 George Street, Sydney,
June. 1890.

We have much pleasure in issuing a *New Illustrated Catalogue* of various articles manufactured by us. Our long experience in business enables us to produce designs which will be a guide to intending purchasers and meet the requirements of the trade.

Our goods will maintain the high quality they have hitherto had and customers may reckon on prices being reasonable.

Joiners Work. We have always on hand a large assortment of Doors, Casements, Sashes, Venetian Shutters, Mantelpieces, Mouldings, Architraves, Skirtings, Turnery, &c. and having a large stock of seasoned timbers (cut expressly for our carpenters' use) we are in a position to execute orders promptly and of first class workmanship.

Houses. We would draw special attention to our designs for Weatherboard and Iron Houses, framed ready for erection in remote districts where skilled labour is scarce; also Conservatories & Bushhouses.

Church Furniture, Bank and Office Fittings, Shop Fronts and Counters, Entrance Gates, &c. made to order.

Galvanized Iron. We get monthly shipments of our own "Best  Tinned" Galvanized Iron, which has been favourably known for the last twenty years, and we have always a large stock of Sheet Lead, Zinc, Guttering, and Ridge Capping, Fastenings, &c. &c.

Church Windows. Having a first class Artist we are in a position to give designs for Painted Church Windows and Domestic Lead glazing of all kinds. On hand a large stock of Plate, Sheet and Ornamental Glass.

Pottery. We pay special attention to the Manufacture of Stoneware Drain Pipes, Chimney Pots, Paving and Garden Edge Tiles, Bricks, &c.

Orders executed with dispatch and all communications punctually attended to.
